Al- Fakhera Co.

for Catering Services

About us:

Al Fakhera name is synonymous with Quality, and it is our goal to provide the highest quality of food, prepared, presented and delivered to the exact specifications of our customers, by maintaining the utmost levels of customer satisfaction, food safety and hygiene.

Fakhera's Industrial Catering Division has continued its rapid growth in this competitive sector and provides a wide range of services to major prestigious companies in cross Libya.

Elegant and innovative

Our Services:

This division has been dedicated to the provision of services for clients in remote locations. Serving Oil and Gas Companies on both onshore and off shore and going into areas at the front of developing activities along providing full catering services.

Whatever the size or nature of the operation, Al Fakhera adapt services to fit in with the clients requirements and to suit the unique conditions of individual projects. Whether the contract supports a small exploratory rig of a few working men or a large construction company with a workforce of many thousands, we apply the same high standards and attention to detail.

Perfectly balanced flavors
